

## **Per Federal Government / CDC Guidelines**

In accordance with Federal and CDC guidelines the Board of Directors of HREA have canceled our Member Annual Business Meeting. Any group larger than ten (10) people has been banned in the state of West Virginia thus making it impossible to hold a large meeting.

We do this in the hope of protecting our membership in these very uncertain times. However please feel free to call with any questions or for additional information at the numbers below, we will be happy to help.

Please call **304-624-6365** or **1-800-540-4732**  
with all questions.

Thank you for helping us keep you, our staff and membership as safe as possible. We wish you well and good luck.
